## Media Advisory Atlanta modifies watering restrictions

**What:** The City of Atlanta has lifted its total ban on outdoor watering and will now enforce the state's Level One restrictions. Weekend rain has stabilized lake levels for the present. "While weekend rains were a welcome relief, as of Saturday night, levels in Lake Lanier were still dropping and have risen very slightly over the past 24 hours," said Commissioner Rob Hunter. "We urge continued conservation and will be monitoring the situation very closely."

**When:** Monday, June 26, 2006; 9 a.m.

**Comments:** State Level One restrictions remain in

**effect. They are:**

- **Even-numbered addresses can water on Mondays, Wednesdays and Saturdays.**
- **Odd-numbered addresses can water on Tuesdays, Thursdays and Sundays.**
- **Watering can occur between Midnight and 10 a.m., and between 4 p.m. and Midnight.**
