**Coming Soon...  
to a Sewer Near You**

## **Sorry We Missed You!**

The City of Atlanta is conducting its **Sewer System Evaluation Survey (SSES)**, the first step in Atlanta's massive sewer repair program.

As a courtesy, we stopped by to let you know that we will be working in the right-of-way near your property to investigate the sewer line that runs near or through your yard. Please give us a call if you have any questions.

**We appreciate your patience as we work to improve Atlanta's sewer system.**

For more information on the SSES Project visit [www.cleanwateratlanta.org](http://www.cleanwateratlanta.org)
